## **Delight Technical College, TVETA ACCREDITED**

### **School of Creative Arts, Media, Photography & Videography**

The Delight Technical College (DTC) Creative Arts, Media, Photography & Videography programs provide a passionate focus on not only the practical elements of study, but also the technical and theoretical practices of the craft.

We offer students the remarkable opportunity to study photography & videography under award-winning, professional tutors who remain active in many genres of photography, from fine art to fashion, media, commercial work to photojournalism.

Our school instructors are not simply interested in producing competent creatives and photographers, but also in mentoring artists who each possess a singular voice that will make their work immediately recognizable.

The curriculum and faculty at Delight Technical College is focused on applied and hands-on learning in the classroom that shapes students' educational experiences.
