**DELIGHT**  
TECHNICAL COLLEGE

### **Empowering Creatives Through Skills, Innovation, and Excellence**

---

**Delight Technical College** is a **leading TVET institution** located in the heart of Nairobi, Kenya. We specialize in **Tailoring, Fashion & Design, Media, and Artificial Intelligence**, offering competency-based training that transforms creativity into employable and entrepreneurial skills. Our holistic training approach integrates **technology, creativity, and enterprise**, making Delight a model institution in **Creative TVET Education** in Africa.

Delight Technical College is fully **registered and accredited** by the **Technical and Vocational Education and Training Authority (TVETA)** under the Ministry of Education, Kenya.

**TVETA Registration Number: TVETA/PRIVATE/TVC/0080/2022**

Our programs are examined and certified by:

- **TVET Curriculum Development, Assessment & Certification Council (CDACC)**
- **National Industrial Training Authority (NITA)**

The college is driven by a commitment to empowerment, innovation, and sustainable development, ensuring our learners are equipped to thrive in a rapidly evolving world.

**VISION:** To be Africa's leading hub for technical, creative, and entrepreneurial excellence.

**MISSION:** To provide accessible, innovative, and industry-relevant training that empowers individuals to achieve excellence in creative and technical professions.

**CORE VALUES:** Integrity | Innovation | Professionalism | Teamwork | Creativity | Sustainability |

### **THE "DELIGHT ADVANTAGE" — 20 KEY STRENGTHS**

---

1. Accredited qualifications (TVETA, CDACC & NITA)

10. Enterprise & start-up incubation support
11. Career services (CV clinics, reviews & coaching)
12. Strong student welfare & counselling support
13. Digital learning systems & e-submissions
14. Quality assurance & graduate performance tracking
15. Showcases: runways, screenings & exhibitions
16. Short micro-credential courses for upskilling
17. Small class sizes & personalised mentorship
18. Hands-on training (70–80% practical learning)
19. Modern tools, machines & creative software
20. Strong alumni network, job creation & community impact

## **INTERNATIONAL STUDENTS**

Delight Technical College welcomes learners from Africa and around the world. We offer a friendly, multicultural environment that helps international students feel supported from arrival to graduation.

### **Support provided:**

Visa application guidance, Accommodation guidance, Airport pick-up and city orientation, Cultural integration and social support and Flexible study options (day, evening, weekend, online, blended)

## **SCHOOLS AND ACADEMIC STRUCTURE**

Delight Technical College delivers its programs through **two specialized schools** — each dedicated to nurturing creativity, technical mastery, innovation, and employability.

### **☑ Academic Approach:**

Both schools follow the **Competency-Based Education and Training (CBET)** framework to ensure that students graduate not only with academic qualifications but with **demonstrable skills, industry portfolios, and entrepreneurial capacity** that prepare them for employment, freelancing, and self-employment.

### **1. 🧵 SCHOOL OF TAILORING, FASHION & DESIGN**

The School of Tailoring, Fashion & Design is the creative heartbeat of Delight Technical College. It trains visionary creators, skilled artisans, and future fashion entrepreneurs. Students learn the full design process — from concept sketching to runway presentation — mastering both artistic creativity and technical precision.

Through mentorship, live projects, and fashion showcases, learners gain real-world experience in design thinking, sustainable production, and brand development.

#### **Focus Areas:**

Pattern Drafting | Garment Construction | Textile Science | Fashion Illustration | Tailoring & Dressmaking | Sustainable Fashion | Beadwork & Embroidery | Marketing | Fashion Entrepreneurship

#### **Career Paths:**

- **Design & Production:**

Fashion Designer | Tailor | Dressmaker | Textile Designer | Pattern Cutter | Sample Maker | Fashion Illustrator | Embroidery Specialist | Knitting Specialist

- **Retail & Merchandising:**

Fashion Buyer | Merchandiser | Product Developer | Brand Manager | Visual Merchandiser | Fashion Stylist | Boutique Manager

- **Fashion Communication & Media:**

Fashion Photographer | Fashion Blogger | Wardrobe Stylist | Costume Designer | Fashion Show Director | Model Coordinator | Creative Director

- **Entrepreneurship & Consulting:**

Fashion Entrepreneur | Boutique Owner | Design Consultant | Personal Stylist | Sustainable Fashion Consultant | Custom Tailoring Business Owner | Textile Artist | Bridal Wear Specialist

- **Education & Innovation:**

Trainer in Tailoring/Fashion Design | Fashion Researcher | Fashion Technologist | Design Lecturer | Workshop Coordinator

**Graduates** from this school have established successful careers in design houses, apparel industries, and independent fashion enterprises — with several going on to showcase their collections regionally and internationally.

## 2. **SCHOOL OF MEDIA & ARTIFICIAL INTELLIGENCE (AI)**

---

The School of Media & Artificial Intelligence prepares the next generation of storytellers, visual communicators, and digital innovators.

It merges creativity, communication, and emerging technology — empowering students to shape the media landscape and drive digital transformation across industries.

Learners gain hands-on experience in **film production, photography, videography, graphic design, digital journalism** and **artificial intelligence** combining artistry with analytical skill. Graduates leave with portfolios, showreels, and project experience that meet global creative and technical standards.

### **Focus Areas:**

Film Production | Videography | Photography | Graphic Design | Digital Journalism | ICT & Computing | Artificial Intelligence | Data Analytics | Media Entrepreneurship | Content Creation

### **Career Paths:**

- **Film & Visual Media:**  
Filmmaker | Director of Photography | Video Editor | Scriptwriter | Production Assistant | Film Producer | Cinematographer | Documentary Producer | Motion Graphics Designer
- **Digital & Visual Design:**  
Graphic Designer | Multimedia Artist | UX/UI Designer | Visual Effects Artist | Illustrator | Branding Specialist | Digital Content Designer | Packaging Designer | Infographic Artist
- **Photography & Visual Communication:**  
Photographer | Photojournalist | Studio Manager | Retoucher | Fashion Photographer | Advertising Photographer | Event Photographer | Visual Storyteller
- **Journalism & Communication:**  
Digital Journalist | Broadcast Reporter | Online Editor | News Producer | Social Media Manager | Public Relations Officer | Communications Specialist | Podcast Producer | Digital Strategist
- **Technology & Artificial Intelligence:**  
AI Developer | Data Analyst | Chatbot Developer | AI Model Trainer | ICT Technician | Systems Administrator | Software Support Specialist | Digital Transformation Officer
- **Creative Entrepreneurship:**  
Media Entrepreneur | Digital Content Creator | YouTuber | Vlogger | Social Media Influencer | Brand Ambassador | Marketing Consultant | Creative Agency Founder | Tech Startup Innovator
- **Education & Research:**  
Media Trainer | AI Research Assistant | Instructional Designer | Digital Learning Specialist

**Graduates** from this school are shaping industries across Africa — from film studios and media houses to technology start-ups and creative agencies — blending technology with innovation.

## **CAMPUS LIFE & STUDENT EXPERIENCE**

---

Campus life at Delight is vibrant, creative, and community-driven. Students grow in confidence, leadership, and real-world readiness through diverse activities and events.

### **Highlights include:**

- Fashion, Media & Creative Shows – runways, exhibitions, screenings, and expos
- Red Carpet Events & Modeling Forums – Mr. & Miss Nairobi, awards, and showcases
- Cultural Festivals & Sustainability Campaigns – Wear The Green, KITFest, Cloth Swap drives

- Student Leadership, Clubs & Associations – fashion, photography, and creative groups
- Innovation Challenges & Start-up Labs – hackathons, digital content labs, brand launches
- Sports, Wellness & Talent Activities – fitness, dance, sports day, performances
- Community Engagement – charity drives, mentorship, and empowerment initiatives

Campus life helps students connect, express creativity, and build strong professional networks and lifelong friendships.

## **FACILITIES & LEARNING ENVIRONMENT**

Delight provides a modern, hands-on learning environment designed to inspire creativity, innovation, and personal growth. Our facilities support both practical training and digital exploration.

### **Key Facilities:**

- Fully equipped Fashion Design & Tailoring Workshop
- Photography, Film, and Digital Media Production Studio
- Editing, Graphic Design & Post-Production Suite
- Resource Centre & Digital E-Learning Library
- Innovation & Entrepreneurship Hub with prototype spaces and incubation support
- Safe, affordable hostel options within walking distance
- Free campus Wi-Fi, lounge areas, and collaborative co-working spaces
- Outdoor creative spaces for photo shoots, design brainstorming, and film practice
- Munchez Café — our in-house café offering fresh, delicious meals and snacks at student-friendly prices

We continuously upgrade our facilities to match emerging trends in fashion, media, technology, and global creative industries.

## **ALUMNI & CAREER DEVELOPMENT**

Our alumni community represents the strength of industry-focused training at Delight. Graduates excel across diverse creative and technical fields, including:

### **Career Paths:**

- Fashion designers, stylists & professional tailors
- Filmmakers, videographers & digital content creators
- Graphic designers, animators & media specialists
- AI, ICT & creative technology professionals
- Entrepreneurs, brand owners & social innovators

### **Career Services & Alumni Support:**

- Professional mentorship & coaching
- Networking and industry linkages
- Internship and job placement support
- Business incubation & growth opportunities
- Alumni masterclasses, collaborations & spotlight events

We remain committed to supporting our graduates as they build successful careers, thriving businesses, and creative legacies across Africa and the world.

**Shape the Future. Design Tomorrow. Create with Delight.**
